

benevol Integrationsbegleitung - Support for refugees

Do you need help

- to learn and speak German?
- to read and write letters?
- for school and homework?
- for job search?

Would you like to get to know somebody

- to answer questions about living in Switzerland?
- to speak with and share time?
- to do activities together?

We connect volunteers from the Winterthur region with refugees. The volunteers meet with you once a week, support you in learning German, answer questions about administration, work, leisure time and give you tips for life in Switzerland.
